RECYCLING CAN MAKE A DIFFERENCE

The RI Resource Recovery Corp sponsors a recycling drop off of electronics, paints, chemicals, motor oil, propane tanks and other items, on the first Saturday of each month from 7:00 am to 12:00 at 65 Shun Pike Johnston. Call (401)-942-1430 for more information.

DISPOSAL REGULATIONS

A) Prohibited Materials

No toxic waste accepted. This includes:

- Asbestos
- Chemicals
- Solvents
- Motor Oil
- Flammables or explosives
- Radioactive wastes
- Medical wastes
- Mercury
- Household cleaners in amounts over one (1) gallon

B) Mattresses do have a seventy-five dollar (\$75.00) recycling fee per RI Resource Recovery.

C) Paint cans are acceptable as long as they are covered or completely dried out.

D) Tire disposal is a maximum 10 tires per container.

E) Appliances are acceptable.

- There is a \$25.00 Freon removal charge for refrigerators and freezers.

F) The Department of Transportation prohibits the transport of loose or unsecured loads.

- Containers excessively overloaded will have items removed and left behind as to facilitate the safe transport of the container.

G) Containers should be covered during inclement weather.

- We are not responsible for additional weight due to snow or rain.
